## Women Protection Cell 2019-20

Sexual harassment being a crime, employers are obligated report offences. Penalties range from one to three years imprisonment and/or a fine. Sexual harassment is described as: unwelcome sexual gesture or behavior whether directly or indirectly as sexually colored remarks; physical contact and advances; showing pornography; a demand or request for sexual favors; any other unwelcome physical, verbal/non-verbal conduct being sexual in nature and/or passing sexually offensive and unacceptable remarks. The critical factor is the un-welcomeness of the behavior, thereby making the impact of such actions on the recipient more relevant rather than intent of the perpetrator. According to the Indian constitution, sexual harassment infringes the fundamental right of a woman to gender equality under Article 14 and her right to life and live with dignity under Article 21. The college committee is headed by Principal and other lady staff as its members
