### MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made on the 31<sup>st</sup> day of December, 2014 at Hyderabad.

BETWEEN

KIMS Foundation & Research Centre (KFRC), Hyderabad, a non-profit, charitable Trust, whose objectives are to perform both basic and clinical research while providing less fortunate patients with treatment at a concession. This Trust was formed to improve the overall health of the community and to define a broader range of options essential for further medical discovery. Health research depends on ceaseless updating and refinement. The main Research Centre is situated at Secunderabad, which has an M O U with KIMS Hospitals, Secunderabad - an 800 bedded Super Speciality, State-of-the-Art Hospital, with its wings spread out to various places in India and abroad. KFRC is providing training and helping in carrying out project works for students.

AND

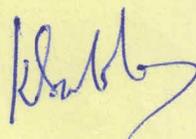

*K. Subba*

WHEREAS, **Sultan-ul-Uloom College of Pharmacy (SUCP)**, approved by the All India Council of Technical Education (**AICTE**), Pharmacy Council of India (**PCI**) and permanent affiliation by Jawaharlal Nehru Technological University, Hyderabad (**JNTUH**), may enter into **Memorandum Of Understanding** for conducting therapeutic studies on various disease modules, pre-clinical safety and toxicology studies, formulation development, biotechnology and microbiology studies and may bear the laboratory chemical costs, diagnostics kits costs, contingencies requirements, etc.,

AND WHEREAS, KFRC, has agreed in principle to provide the necessary infrastructure, assistance in terms of identification of disease condition, and to co-ordinate various studies, to discuss and develop new strategies as approved from time to time.

NOW IT IS HEREBY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

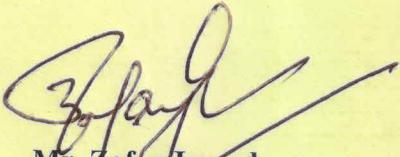

1. That the second party (SUCP) will bear the necessary financial implications towards the lab expenses and contingencies for various studies / trials / research / thesis projects that require biochemical and pharmacological tests.
2. KFRC Hyderabad, provides infrastructure and technical assistance in the area of identification of the various disease conditions and in the area of design and conduct of clinical studies.
3. That the day-to-day progress of the work carried out by the Labs will be monitored by the Monitoring Committee comprising of four members, *two each from KFRC and SUCP* as approved by the respective organizations.
4. That this MOU and the financial assistance given to pursue the MOU shall not be deemed to have created any association, partnership, etc. and this financial assistance is non refundable.
5. That this MOU will be operative from the date of signing by both the parties and shall be for a period of three years. The tenure of the same can be extended by mutual consent of both the parties.
6. The parties agree that if any disputes or differences arising out of or in connection herewith or anything done or omitted to be done pursuant here to shall be attempted to be settled amicably.
7. There should not be any liability in future among either of the parties whatsoever may be arising out of this MOU.

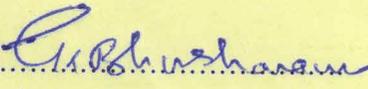

8. The fees for guiding the students in carrying out the studies and preparing the projects varies with the type of projects and duration of the projects (on case to case basis) and the said amount will be paid at the time of admitting the students for their project/training.

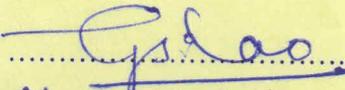

In witness whereof KFRC, Hyderabad and Sultan-ul-Uloom College of Pharmacy executed this MOU on the day and year mentioned above.
